Handouts	Treasurer's Report	Clive Morgan
	Accounts for 2009/10	Clive Morgan

Following introductions and apologies, Mike Stannard led the meeting with the following agenda.

**1. Previous AGM Minutes**

Acceptance of the previous minutes was proposed by CM and seconded by NM.

**2. Presentation/Adoption of accounts**

CM presented the Treasurers Report and accounts (attached).

MH suggested that we should see some benefit from the ESR courses that were attended by Paul Clark and Adam Giles and paid for by the county (included in Miscellaneous).

BB asked if a percentage of the ESR rebate might fed back to the clubs. After some discussion BB agreed to put forward a proposal to be considered by the Management Committee. Adoption of the accounts proposed by BB and seconded by MH.

**3. Election of the Management Committee**

There was no challenge to any of the existing positions but as NM had expressed a desire to give up the running of the Summer League after five years, DW agreed to take over from next year. This appointment was unopposed.

**4. Annual Reports**

**i. Junior Branch**

We have three teams entered in the South West Leagues this year with the first games due in October. There are 30-35 juniors in regular attendance at the county

meets and this is growing monthly. The first Wilts Junior Closed produced a really good attendance with players coming from all over the county. Junior workshops are being held at Tidworth on a bi-monthly basis. The next step will be to run squash camps with the Juniors and pro coaches to improve the standard of play with a view to entering the England County Leagues. ESR have donated money to the Juniors to run the workshops and everything that is being done has been self-funded.

ii. **Summary of League Activity**

a. **Winter League**

All details regarding the 2010/2011 season are on the website so DB concentrated on the forthcoming season. There are 21 teams entered which means five in Div's 1, 3 and 4 and six in Div 2. Having an odd number in the league is not ideal but with numbers so low there really is no alternative. MH has contacted Highworth as it was reported that they were keen to join the league but it appears no one has anything organised. Maybe after Christmas?

b. **Summer League**

NM reported a disappointing entry of only 8 teams this year. Reductions in the numbers meant that the league was well contested with some excellent squash played. Congratulations to Cricklade who were this years winners. The re-introduction of doubles proved popular which was not the case with the trial of PAR scoring to 11. Playing to 13 or 15 will be considered for next year as will reverting to traditional scoring. NM thanked BB for developing and ensuring the smooth running of the semi auto scoring system.

- vi. **A.O.B.**
  - . A vote was taken on the scoring method for next year's Summer League and the result was to move to PAR scoring to 15 (2 clear). We asked which method would be used during the winter season and MS confirmed it would be traditional scoring again this year but it would be reviewed at next year's AGM.
  - a. BB reported that the Oasis has now achieved Clubmark status and has kindly made available the templates for any other clubs that wish to apply. One of the main advantages is that it opens the door towards further funding opportunities. JC said that Trowbridge had received £15,000 from Lottery funding which enabled them to refurbish their courts.
  - b. JC also remarked that this will be Trowbridge's 41st season in the Wiltshire League.
  - c. NM introduced two documents from Oxfordshire and Avon outlining their rules governing team orders and a general discussion followed as to whether we need to introduce further rules or continue with what we have and rely on the experience of DB to resolve any issues that arise. The meeting voted overwhelmingly to continue with the current set-up.

- d. DW asked if we should re-schedule the AGM to June or July to review the past season and give us more notice of any problems that might occur in the forthcoming season This was agreed.
- e. HW reported that Peter Goldson, formerly County Secretary for Warwickshire, has recently moved to Wiltshire. Peter has a wealth of experience – he is a Level 4 coach, a T Grade referee and as a Director of England Squash has vital knowledge of the workings of ESR. Peter has already been appointed to the role of Referee Instructor for Wiltshire and Hampshire but would be happy to assist with any matters where his experience could prove invaluable. HW has contact details.
- f. A communication has been received from ESR regarding funding for referee recruitment and training and HW promised to send this on to the club representatives.
- g. MS re-iterated the committee's view that everyone playing league squash should attend a markers course at least every 2-3 years and more frequently if the opportunity arises.
